

Leadership South Shore Justice Day - April 2019

Leadership South Shore

Justice Day

On April 23, 2019 the Leadership South Shore current cohort (Class of 2019) repeated the visit made by the class of 2017 and the class of 2018 spending the morning at the Plymouth County Sheriff's Department. This was a true insiders look at a sector of this regions justice system. After a briefing about the roles and responsibilities of the department by Sheriff Joseph McDonald and Plymouth County District Attorney Timothy Cruz, the cohort toured the House of Corrections. From there the group observed a demonstration of the K-9 unit and toured the Bureau of Crime Investigation(BCI). All were impressed with the staff professionalism and the sophisticated technology employed by the Sheriff's Department.

From Plymouth the group travelled to the Weymouth Police Department. Where the Sheriff's Department provided a look at the county system, the police station offered a town perspective. The group was able to tour the facility, observe the 911 dispatch center, hear from officer who work in the community and who serve as school resource workers. Again the dedication and the professionalism of the department was impressive.
